

SQUIREHOOD

Meaning: Squirehood is the period or state of being a squire, during which a young man trains and prepares for knighthood.

1. Squirehood is often viewed as a transitional phase from youth to full knighthood.
2. The responsibilities that come with squirehood prepare young men for the honor of becoming knights.
3. In medieval times, a boy typically entered squirehood around the age of 14.
4. Many tales of valor and adventure arise from the experiences of those in squirehood.
5. Squirehood not only involved training in combat but also lessons in chivalry and court etiquette.
