

STABLER

Meaning: Stabler (noun): A person who cares for and manages horses, particularly in a stable setting.

1. The stables were filled with the soft sounds of horses as the stabling crew prepared for the morning exercise.
2. After years of training, she finally became a stabler, caring for the horses like they were her own.
3. The stabler knew each horse's personality and temperament, ensuring they were all comfortable and happy.
4. With her background in veterinary science, she was not just a stabler but also a trusted caretaker for the animals.
5. The old stables, once bustling with life, now stood silent, a testament to the hard work of dedicated stablings.
