STANZA

Meaning: A stanza is a grouped set of lines in a poem, often sharing a common rhyme scheme or meter, that collectively express a particular idea or emotion.

1. The poet carefully crafted each stanza to evoke deep emotions.
2. In her new book, every stanza flows seamlessly into the next.
3. The first stanza introduces the theme of love and longing.
4. He read the final stanza aloud, capturing the audience's attention.
5. Each stanza in the song tells a different story about life's struggles.
