

STAR-CHAMBER

Meaning: Star-chamber: a secretive or authoritarian body that operates outside of standard legal or democratic processes, often to exert control or manipulate outcomes.

1. The term 'star-chamber' originally referred to a secretive court established to handle cases without the usual legal procedures.
2. In the novel, the protagonist found himself trapped in a star-chamber of powerful elites who controlled public opinion.
3. Historically, the star-chamber was notorious for its lack of transparency and was seen as a means of political oppression.
4. During the meeting, decisions were made in a star-chamber atmosphere, leaving many members feeling excluded from the process.
5. The concept of a star-chamber has been revived in modern discussions about government surveillance and civil liberties.
