

# STATUA

*Meaning: Statua: a three-dimensional representation of a person or animal, typically created from materials such as stone, metal, or wood, often used for artistic or commemorative purposes.*

1. The ancient statue stood majestically in the center of the plaza, drawing the attention of all visitors.
2. Craftsmen meticulously carved the statue from marble, ensuring every detail was perfect.
3. In the museum, the statue was surrounded by a glass case to protect it from accidental damage.
4. The artist unveiled his latest work, a breathtaking statue that captured the essence of human emotion.
5. Tourists gathered around the statue to take pictures, eager to capture a piece of history.
