

# STEPSISTER

*Meaning: A stepsister is a girl or woman who is the daughter of one's stepparent, making her a sibling by marriage rather than by blood.*

1. My stepsister and I have grown closer over the years, sharing secrets and dreams.
2. At the family reunion, my stepsister surprised everyone with her incredible singing talent.
3. Despite our different interests, my stepsister and I always manage to have fun together.
4. When our parents married, I was unsure about having a stepsister, but she quickly became a friend.
5. We decided to team up for the school project, making the most of our unique strengths as stepsisters.
