

STIGMATIST

Meaning: A stigmatist is a person who bears marks or wounds resembling those of Christ's crucifixion, often believed to be a sign of divine connection or spiritual experience.

1. The stigmatist felt a profound connection to their faith as they experienced the mysterious marks on their body.
2. Throughout history, many stigmatists have been viewed with a mix of reverence and skepticism by society.
3. In her writings, the stigmatist often reflected on the duality of suffering and spiritual enlightenment.
4. The church conducted a thorough investigation to determine the authenticity of the stigmatist's claims.
5. As a stigmatist, he believed his afflictions were a form of divine communication meant to inspire others.
