

STOWBOARD

Meaning: Stowboard: a board or shelf used for storing items, typically in a cabin or ship, to maximize space and secure belongings.

1. The stowboard in the cabin provided extra storage space for the passengers' luggage.
2. As the ship set sail, the crew carefully secured the stowboard to prevent any items from sliding out.
3. She found a perfect spot on the stowboard to keep her backpack safe during the trip.
4. The stowboard was designed to be easily accessible while maximizing the available space.
5. After the voyage, the captain inspected the stowboard to ensure it had held up well under pressure.
