

STRIKLE

Meaning: 'STRIKLE' appears to be a typographical error or a misinterpretation of the word 'strike'; in context, 'strike' means to achieve or create a particular effect or balance, or to produce a sound or action at a specific time.

1. The artist decided to strike a balance between realism and abstraction in her latest painting.
2. As the clock struck midnight, the celebrations erupted with joy and laughter.
3. She had to strike a deal with the supplier to ensure they received the materials on time.
4. The coach encouraged his team to strike while the iron is hot and seize the opportunity.
5. In her speech, she aimed to strike a chord with the audience by sharing her personal story.
