

STRINGER

Meaning: A stringer is a person who contributes news stories or reports on local events for a media outlet, or a device used by fishermen to keep caught fish secure.

1. A stringer is often responsible for gathering information and reporting on local events for a news outlet.
2. The fisherman expertly tied the bait to the stringer, ensuring it would stay secure while he cast his line.
3. In documentary filmmaking, a stringer may supply valuable footage from remote locations that would otherwise be difficult to access.
4. During the construction of the bridge, the workers used a stringer to support the beams that held up the structure.
5. The athlete's dedication and hard work made him a key stringer for the team, contributing to their success in the championship.
