

STROPHE

Meaning: A strophe is a division of a poem or a section of a choral ode in ancient Greek drama, often characterized by a specific rhythmic structure.

1. The poem's strophe beautifully captures the essence of nature's beauty.
2. In ancient Greek drama, the strophe was a crucial part of the choral ode.
3. Each strophe in the song introduced a new theme that resonated with the audience.
4. The structure of the strophe added a rhythmic quality to the overall composition.
5. As the strophe unfolded, it drew the listeners deeper into the poet's emotions.
