

STUDDING

Meaning: Studding refers to the act of decorating or embellishing with distinct elements, such as sails on a ship or stars in the sky, creating a visually striking effect.

1. The old wooden ship was studding its sails as it caught the brisk morning wind.
2. She admired the studding of the stars in the clear night sky, each one twinkling like a distant gem.
3. The gardener spent hours studding the flowerbeds with vibrant annuals to create a stunning display.
4. His jacket was studding with patches from various hiking trips, each telling a story of adventure.
5. The cake was beautifully studding with fresh berries, making it look almost too good to eat.
