

STUFFING

Meaning: Stuffing is a mixture of ingredients, typically including bread, herbs, and seasonings, used to fill the cavity of a poultry or other dish during cooking.

1. The aroma of the savory stuffing filled the kitchen as it baked in the oven.
2. She carefully removed the turkey from the oven and let it rest before adding the stuffing.
3. For Thanksgiving, our family recipe includes a special blend of herbs in the stuffing.
4. He stuffed the pillow with a fluffy stuffing to make it more comfortable for sleeping.
5. After the meal, there was barely any stuffing left on the serving platter.
