

SUBOFFICER

Meaning: A subofficer is a non-commissioned officer in a military or paramilitary organization who holds a rank below that of a commissioned officer and is responsible for specific duties, such as training or leadership.

1. The subofficer was responsible for overseeing the training of new recruits.
2. During the mission, the subofficer demonstrated exceptional leadership skills.
3. The team relied heavily on the subofficer to make critical decisions in the field.
4. After years of service, the subofficer earned a well-deserved promotion.
5. Effective communication was key to the success of the subofficer's duties.
