

SUBORDINATION

Meaning: Subordination refers to the act of placing something in a lower rank or position, often used to describe hierarchical relationships in power dynamics or the grammatical relationship where one clause is dependent on another.

1. The concept of subordination is crucial in understanding the dynamics of power in a workplace.
2. In grammar, subordination helps to connect ideas and clarify the relationships between clauses.
3. The artist's work often explores themes of subordination and resistance within societal structures.
4. Many organizations strive to reduce unnecessary subordination to foster a more collaborative environment.
5. Subordination can sometimes lead to feelings of resentment among team members if not managed effectively.
