

SUETY

Meaning: Suety (adjective): having a greasy or oily quality, often associated with the residue from fried or cooked foods.

1. The air in the kitchen was thick and suety, clinging to everything with a heavy scent of fried food.
2. After a long day of cooking, the chef found his apron stained with suety splatters from the bubbling sauce.
3. The suety texture of the dish made it rich and indulgent, perfect for a cold winter evening.
4. As the candle burned low, the room filled with a suety aroma that made everyone feel at home.
5. She wiped the suety residue off her hands, ready to serve the deliciously hearty meal.
