

# SULTANA

*Meaning: Sultana: a variety of seedless grape, typically light green or yellow, often dried and used in cooking or as a snack.*

1. The sultana grapes were plump and sweet, perfect for snacking.
2. She baked a delicious cake topped with sultanas and a dusting of powdered sugar.
3. In the traditional recipe, the sultana adds a rich flavor that enhances the dish.
4. While traveling through the market, I couldn't resist buying a bag of dried sultanas.
5. The sultana is often confused with the golden raisin, but they are distinct varieties.
