

# SURBED

*Meaning: 'SURBED' refers to a state of being stirred up or agitated, especially in relation to wind or water movement.*

1. The children watched in awe as the leaves surged and swirled in the surbed wind.
2. After the heavy rain, the river's surbed flow threatened to overflow its banks.
3. The artist captured the surbed colors of the sunset, blending them seamlessly on the canvas.
4. As I walked through the forest, I could hear the surbed sounds of wildlife all around me.
5. He felt a sense of peace wash over him as he sat by the surbed brook, listening to the water flow.
