

SUSPICIENCE

Meaning: Suspiciene refers to a state of distrust or suspicion towards others, often leading to misjudgment.

1. Suspiciene can often cloud our judgment, leading us to mistrust those who are actually innocent.
2. Her suspiciene about the new employee created an uncomfortable atmosphere in the office.
3. Despite the lack of evidence, his suspiciene made him question everyone's motives.
4. The detective's suspiciene was heightened by the inconsistencies in the suspect's story.
5. Living in a world filled with deception, her natural suspiciene served as both a shield and a burden.
