

SUZERAIN

Meaning: Suzerain: a sovereign or state that has control over another state or territory, particularly in a feudal context where it grants protection and land in exchange for loyalty and service.

1. The king ruled as the suzerain over several smaller principalities, maintaining their loyalty through both diplomacy and force.
2. In the feudal system, a lord often acted as a suzerain to his vassals, providing land in exchange for military service.
3. The treaty established a suzerain relationship between the two nations, ensuring peace and mutual support.
4. Historically, the concept of a suzerain was crucial in defining the dynamics of power among medieval states.
5. The suzerain's influence was evident in the cultural practices adopted by the territories under its control.
