

SWAGMAN

Meaning: A swagman is a transient laborer or wanderer, particularly in Australia, who carries a swag (a bundle of belongings) and often travels in search of work or adventure.

1. The swagman rested by the river, enjoying the peaceful sound of the water.
2. In Australian folklore, the swagman is often depicted as a wandering worker seeking adventure.
3. When the swagman sang by the campfire, his voice carried through the crisp night air.
4. Many stories celebrate the swagman's resilience and connection to the land.
5. The swagman's journey took him through vast landscapes, each with its own unique charm.
