

SWAGSMAN

Meaning: A swagman is a transient worker or traveler in Australia, typically one who carries their belongings in a swag (a rolled-up bed or bundle) and often wanders through rural areas.

1. The swagman wandered through the outback, singing softly to himself.
2. He carried his belongings in a tattered bag, embodying the spirit of the swagman.
3. Every evening, the swagman would set up camp by the river, sharing stories with fellow travelers.
4. The legend of the swagman inspired many to explore the rugged beauty of the Australian landscape.
5. As the sun set, the swagman could be heard whistling a tune that echoed through the hills.
