

SWARE

Meaning: 'SWARE' is the past tense of 'swear,' meaning to make a solemn promise or declaration, often invoking a higher power.

1. I swore an oath to always protect my family.
2. Despite the challenges, he swore to never give up on his dreams.
3. She could hardly believe that he would actually swear he saw a ghost.
4. After the argument, they both swore they would never speak again.
5. In a moment of frustration, he swore under his breath as he dropped the keys.
