

# TACKEY

*Meaning: TACKEY (adjective): lacking in good taste or style; gaudy or cheap in appearance.*

1. The decor in the restaurant was so tacky that it felt more like a theme park than a dining establishment.
2. She wore a tacky sweater that had flashing lights and jingled with every movement.
3. His taste in fashion was often criticized as being tacky, favoring loud colors and clashing patterns.
4. Despite its tacky appearance, the old motel had a certain charm that reminded her of childhood road trips.
5. The movie was entertaining, but its reliance on tacky jokes fell flat with the audience.
