

TACKY

Meaning: Tacky refers to something that is in poor taste, gaudy, or lacking in style, often due to being overly showy or cheap.

1. The decorations at the party were a bit too tacky for my taste.
2. She wore a tacky sweater with an exaggerated holiday theme.
3. His attempt at humor fell flat and came off as tacky rather than funny.
4. The store was filled with tacky souvenirs that seemed like they belonged in a garage sale.
5. I couldn't believe how tacky the advertisement was, with its over-the-top graphics and fonts.
