

# TALLIER

*Meaning: A tallier is a person who counts or records numbers, especially votes or scores, with careful attention to detail.*

1. The tallier meticulously counted the votes, ensuring accuracy in the final results.
2. As the tallier tallied the scores, the tension in the room began to rise.
3. With each tally, the tallier made a note of any discrepancies that needed further investigation.
4. The tallier's efficiency was praised by the organizers, who relied on swift results.
5. After hours of work, the tallier finally announced the winner to the eager crowd.
