

TANGELO

Meaning: Tangelo: a hybrid citrus fruit, typically a cross between a tangerine and a pomelo or grapefruit, characterized by its vibrant orange skin and juicy sweetness.

1. The tangelo's vibrant orange skin is a clear indicator of its juicy sweetness.
2. At the farmers' market, I discovered a variety of citrus fruits, including tangelos, which caught my eye.
3. She made a refreshing salad with sliced tangelo, avocado, and a hint of lime.
4. Tangelos are known for their easy-to-peel skin and delightful balance of tartness and sweetness.
5. I love the unique flavor of tangelos, especially when they're in season during the winter months.
