

TARGUM

Meaning: TARGUM: An Aramaic translation and interpretation of the Hebrew Scriptures, serving as a key resource for understanding biblical texts within Aramaic-speaking communities.

1. The Targum serves as an important bridge between the Hebrew Scriptures and Aramaic-speaking communities.
2. Scholars often study the Targum to better understand historical interpretations of biblical texts.
3. In many synagogues, the Targum is read alongside the Torah portion during services.
4. The translation style of the Targum reflects the linguistic and cultural context of its time.
5. Understanding the Targum can provide deeper insights into the nuances of the original Hebrew scripture.
