

TATTLING

Meaning: Tattling is the act of reporting someone else's misbehavior or rule-breaking, often to gain attention or create drama rather than to seek resolution.

1. Tattling on a classmate can lead to unnecessary drama in the schoolyard.
2. She was careful not to engage in tattling, preferring to resolve conflicts directly.
3. His habit of tattling often made him unpopular among his peers.
4. The teacher emphasized that tattling was discouraged unless someone was in real danger.
5. Tattling usually stems from a desire for attention rather than genuine concern.
