TEMPTING

Meaning: Tempting: appealing to desire or interest, often in a way that makes it difficult to resist.

1. The dessert menu was so tempting that I couldn't resist ordering three different items.
2. She found the offer of a free vacation tempting, but she knew it came with hidden costs.
3. His proposal was tempting, but it required a level of commitment she wasn't ready for.
4. The smell of freshly baked bread wafting through the air was absolutely tempting.
5. Despite the tempting discounts, I decided to stick to my budget and not make any impulse purchases.
