

TERSANCTUS

Meaning: Tersanctus is a liturgical chant or hymn that expresses profound reverence and praise, often used in Christian worship during the Eucharist.

1. The choir's rendition of the Tersanctus filled the cathedral with a profound sense of reverence.
2. As the priest intoned the Tersanctus, the congregation fell silent in deep reflection.
3. In the context of the liturgy, the Tersanctus serves as a powerful proclamation of faith.
4. The Tersanctus, often sung during the Eucharistic prayer, highlights the holiness of God.
5. During the service, the Tersanctus resonated with a harmony that uplifted everyone present.
