

TESTACY

Meaning: Testacy is the condition of having a valid will that dictates the distribution of an individual's estate after death.

1. Testacy refers to the condition of having a valid will, which is crucial for the proper distribution of one's estate after death.
2. In cases where testacy is established, the executor named in the will can proceed with the probate process smoothly.
3. The court determined the testacy of the deceased based on the authenticity of the will presented by the family.
4. Without testacy, the estate would be subject to intestate succession laws, complicating the distribution of assets.
5. Legal professionals often emphasize the importance of testacy in estate planning to avoid potential disputes among heirs.
