

THEMSELVES

Meaning: Themselves: a reflexive pronoun used to refer back to the subject of the sentence, indicating that the action is performed by the subjects on their own behalf.

1. They often find solace in nature, allowing themselves a moment of peace.
2. The children were encouraged to express themselves through art and music.
3. After a long week, they decided to treat themselves to a nice dinner.
4. The volunteers dedicated their time to helping others rather than focusing on themselves.
5. In moments of doubt, it's important for them to remind themselves of their strengths.
