

THEODICY

Meaning: Theodicy is the theological and philosophical attempt to justify the existence of evil and suffering in a world created by a benevolent and omnipotent deity.

1. The philosopher grappled with the concept of theodicy in his latest book, seeking to justify the existence of evil in a world governed by a benevolent deity.
2. In discussions about suffering and faith, theodicy often emerges as a critical topic for theologians and laypeople alike.
3. Theodicy provides a framework for understanding why a just and loving God would allow pain and hardship to persist in the world.
4. Her exploration of theodicy revealed deep insights into the human experience of grief and the search for meaning in the face of tragedy.
5. Many religious traditions have developed unique approaches to theodicy, each offering different explanations for the problem of evil.
