

THEOPNEUSTED

Meaning: Theopneusted refers to scripture that is believed to be divinely inspired or breathed out by God, ensuring its sacred authority and truth.

1. The theologian argued that the concept of theopneusted scripture was essential for understanding divine inspiration.
2. Many believers find comfort in the idea that their sacred texts are theopneusted, reflecting God's voice through human authors.
3. In theological discussions, theopneusted writings are often held in higher regard than those without divine affirmation.
4. Scholars debate the implications of viewing the Bible as theopneusted, particularly in relation to historical context.
5. The doctrine of theopneusted texts asserts that God's influence permeates every word and thought contained within them.
