

THOSE

Meaning: 'Those' refers to specific items or things that are farther away in distance or time, often used to indicate a particular group or set.

1. Those are the shoes I wanted to buy for the party.
2. I've never seen those kinds of flowers before; they are beautiful.
3. Those who work hard often find greater success in their endeavors.
4. Can you believe those stories about the haunted house down the street?
5. Those moments we spent together will always hold a special place in my heart.
