

THOU

Meaning: 'Thou' is an archaic second-person singular pronoun used to address one person, often in a formal or poetic context.

1. Thou art more lovely than a summer's day.
2. I beseech thee, do not forsake me in my hour of need.
3. What dost thou desire from this world?
4. Thou hast the power to change thy fate.
5. I shall remember thy kindness throughout my days.
6. Thou art a beacon of hope in the darkest of times.
7. If thou wouldst only heed my advice, we might avoid this trouble.
8. I beseech thee, dear friend, to stay a while longer.
9. Thou hast shown great courage in the face of adversity.
10. In thy presence, I feel a profound sense of peace.
11. Thou art more lovely and more temperate than a summer's day.
12. We beseech thee, grant us thy wisdom in this troubling time.
13. If thou shouldst require assistance, do not hesitate to ask.
14. I shall remember thee fondly for all the days of my life.
