

# THUMMIM

*Meaning: Thummim refers to a sacred object or tool used in ancient divination, often associated with the urim, to discern divine guidance in biblical contexts.*

1. The thummim, used alongside the urim, was an ancient tool for divination.
2. In biblical times, the thummim was believed to reveal God's will to the high priest.
3. Some scholars debate the exact nature and appearance of the thummim in ancient rituals.
4. The thummim served as a sacred object, symbolizing truth and divine guidance.
5. Many artifacts related to the thummim have been lost to history, leaving much about its uses a mystery.
