

THURIBLE

Meaning: A thurible is a vessel used in religious ceremonies to hold and dispense incense, typically swung to release fragrant smoke.

1. The priest swung the thurible gently, filling the air with fragrant smoke during the ceremony.
2. In ancient rituals, the thurible was often used to purify the space and invoke divine presence.
3. As the thurible was passed around, the congregation felt a sense of reverence enveloping the room.
4. The intricate design of the thurible reflected the artistry and craftsmanship of the era it was made in.
5. During the mass, the thurible became a focal point, drawing the eyes of the faithful as it swayed.
