

THY

Meaning: 'Thy' is an archaic second-person singular possessive pronoun meaning "your," used to indicate something belonging to the person being addressed.

1. Thy kindness is a rare gift that warms the hearts of many.
2. In times of trouble, I will always seek thy guidance and support.
3. Thy wisdom shines brighter than the most brilliant star in the night sky.
4. Let not thy fears hold thee back from pursuing thy dreams.
5. I cherish the moments spent in thy company, for they are truly precious.
