

TIDEWAY

Meaning: TIDEWAY: A channel or passage in a body of water where the tide flows and ebbs.

1. The tideway carved a deep channel through the once-sandy riverbank.
2. As the tideway ebbed and flowed, it revealed treasures from the sea's depths.
3. Fishermen often navigated the tideway to find the best spots for their catch.
4. The serene beauty of the tideway drew many visitors to the coastal town.
5. Birds flocked to the tideway, searching for food in the shallow waters.
