

TIGH

Meaning: Tigh: a communal space or gathering place often associated with cultural or artistic expression.

1. The artist's latest painting captures the essence of a tigh, blending vibrant colors with intricate details.
2. During the festival, the community gathered in the tigh to celebrate their cultural heritage and share stories.
3. The old tigh stood proudly at the edge of the village, its walls adorned with traditional carvings.
4. As the sun set, the tigh became a warm haven for families seeking comfort and connection.
5. In the quiet of the night, the sounds of laughter echoed from within the tigh, a testament to its welcoming spirit.
