

TIPCAT

Meaning: Tipcat is a traditional children's game in which players use a stick to strike a small wooden object, called a cat, to send it into the air and then attempt to hit it again as it lands.

1. The children gathered in the park to play tipcat on a sunny afternoon.
2. In our neighborhood, tipcat was a popular game that brought everyone together.
3. After learning the rules, the kids excitedly took turns trying to hit the tipcat with a stick.
4. My grandmother told me stories of her childhood spent playing tipcat in the streets.
5. As the sun set, the laughter from the tipcat game echoed through the empty playground.
