

TIPPET

Meaning: A tippet is a short piece of clothing, typically made of soft fabric or fur, worn around the neck or shoulders for warmth and style.

1. The tippet, made of soft wool, added a touch of elegance to her winter outfit.
2. He adjusted his tippet before stepping out into the chilly evening air.
3. As the sun set, the tippet fluttered gently in the breeze, a reminder of the warmth of the day.
4. She wore a delicate lace tippet over her shoulders during the outdoor ceremony.
5. The fisherman carefully tied a tippet to his line, ensuring it would hold the weight of the catch.
