

TOLBOOTH

Meaning: A tolbooth is a historical building in Scotland that served as a jail and a place for local government meetings, often located at the center of a town.

1. The old tolbooth stood at the center of the town, a relic of its medieval past.
2. In Scotland, many historic tolbooths served as both a jail and a meeting place for local governance.
3. Tourists often visit the tolbooth to admire its architecture and learn about the local history.
4. The sound of the tolbooth bell ringing marked the passing of each hour, echoing through the cobblestone streets.
5. During the festival, the tolbooth was transformed into a lively venue for performances and community gatherings.
