

# TOP-ARMOR

*Meaning: Top-armor refers to a protective layer or armor worn on the upper body, often associated with knights or modern fashion, designed to enhance safety and display valor.*

1. The knight's top-armor gleamed under the sun, reflecting his bravery on the battlefield.
2. Innovative designers are now incorporating top-armor into everyday fashion for added protection.
3. After the battle, he carefully inspected his top-armor for any dents or scratches.
4. The new vehicle model features advanced top-armor that enhances its durability against attacks.
5. In the game, players can upgrade their character's top-armor to improve defense against enemies.
