

TORTILLA

Meaning: A tortilla is a thin, flat unleavened bread made from corn or wheat, commonly used in Mexican cuisine for wraps or as a base for various dishes.

1. The chef expertly flipped the tortilla on the hot griddle, creating a perfect golden brown surface.
2. For breakfast, I love to fill a warm tortilla with scrambled eggs and fresh avocado.
3. During our trip to Mexico, we enjoyed handmade tortillas from a local market.
4. She wrapped the spicy filling tightly in the tortilla before serving it to her guests.
5. The recipe called for corn tortillas, which added an authentic flavor to the dish.
