

TOURIST

Meaning: A tourist is a person who travels to a place for pleasure or sightseeing rather than for business or permanent residence.

1. The city is filled with tourist attractions that draw visitors from all over the world.
2. As a tourist, I always try to learn a few phrases in the local language to enhance my experience.
3. During the summer, the beaches become overcrowded with tourists seeking sun and relaxation.
4. The tour guide shared fascinating stories that captivated both tourists and locals alike.
5. Many tourists prefer to explore off the beaten path to discover hidden gems in the city.
