

# TRACTATE

*Meaning: Tractate: a written work, especially a scholarly treatise or treatise-like text, that discusses a specific subject, often used in the context of Jewish law and tradition.*

1. The rabbi spent years studying the ancient tractate to understand its complex legal arguments.
2. In her dissertation, she analyzed a particular tractate that addressed ethical dilemmas in Jewish law.
3. Scholars often debate the interpretations found within the tractate, leading to rich discussions in the community.
4. The tractate was finally translated into English, making it accessible to a wider audience of learners.
5. During the seminar, the professor highlighted key passages from the tractate that illustrated its historical significance.
