

TRANSPASSABLE

Meaning: Transpassable (adjective): capable of being crossed or traversed, often with difficulty due to adverse conditions.

1. The mountain trail was barely transpassable after the heavy snowfall.
2. Due to the flooding, several roads became transpassable only with four-wheel-drive vehicles.
3. The old bridge was deemed transpassable by the local authorities, despite its shaky appearance.
4. During the rainy season, many paths in the forest become less transpassable, making hikes challenging.
5. We were relieved to find that the river was still transpassable at its narrowest point.
